

- 1) They have no need of our help
- 2) So do not tell me
- 3) These haggard faces could belong to you or me
- 4) Should life have dealt a different hand
- 5) We need to see them for who they really are
- 6) Chancers and scroungers
- 7) Layabouts and loungers
- 8) With bombs up their sleeves
- 9) Cut-throats and thieves
- 10) They are not
- 11) Welcome here

12) We should make them

13) Go back to where they came from

14) They cannot

15) Share our food

16) Share our homes

17) Share our countries

18) Instead let us

19) Build a wall to keep them out

20) It is not okay to say

21) These are people just like us

22) A place should only belong to those who are born there

23) Do not be so stupid to think that

24) The world can be looked at another way

*Silent video of the poem – optional use after they have performed it.*
