

| Push Factors | Pull Factors |
|---|--|
| Lack of services (e.g. schools, healthcare) | Better work opportunities |
| Being unsafe | Better services (e.g. school or health care) |
| Poverty | Safer, with less crime |
| High levels of crime | To be nearer family or friends |
| Crops failing | Political stability |
| Disasters (e.g. earthquakes, flooding or drought) | More fertile land for growing crops |
| Conflict | Less risk from disasters (e.g. drought, earthquakes or flooding) |
